

CORRECTION TO INFORMATION IN FALL 2020 NEWSLETTER

The newsletter incorrectly stated the hours for the Convenience Center beginning in the Fall of 2020.

The corrected article (with the correct hours beginning with daylight savings time in November 2020) is below:

HOURS FOR TOWNSHIP CONVENIENCE CENTER

In the interest of safety for both the residents and Township employees, effective with the end of daylight savings on November 1, 2020, the hours of the Township Convenience Center will coincide with daylight savings time. When daylight savings time ends in November, the hours of the Convenience Center will be changed to Tuesday, Wednesday, Friday and Saturday, 9:00 am to 5:00 pm. The late closing time of 6:00 pm on Wednesday and Friday will be eliminated through the fall and winter months. Beginning with daylight savings time in the Spring of 2021, the late closing times on Wednesday and Fridays will resume. The Convenience Center schedule will coincide with daylight savings time and remain in effect until further notice.
